

About H+K

Founded in 1975, H+K International is a leading global supplier of stainless steel kitchen equipment to the food service industry with a long-established reputation for quality products, precision manufacturing and exceptional customer service. H+K delivers flexible, value-driven restaurant equipment solutions to major customers in North America, Latin America, Europe, Australia and Asia.

Summary

The Customer Service Representative directs telephone contact with our customers, responds to their inquiries, and places sales orders into the computer system. Additional duties include helping customers properly identify the components they require to repair the equipment in their restaurants, and normal customer service functions, such as order follow-up and tracking, account status inquiries, processing returns and exchanges, and providing product information.

Essential Functions

- Provides friendly, professional, and courteous contact with external and internal customers.
- Be prepared to answer questions regarding company terms and conditions and various warranty information
- Resolve customer complaints. If required or know when to escalate them to management
- Invoices the shipped customer orders by using the AS400 based system
- Performs computer input of customer sales orders received via direct phone contact, facsimile, e-mail, and website.
- Provides timely and accurate follow-through with customer inquiries regarding products, order status, and account status.
- Interacts with various departments within the organization to help satisfy customer requests.
- Supports rollout business activities as needed, and as directed by Customer Service Manager and Project Manager.
- Performs other customer service-related activities as determined by the Customer Service Manager.
